

Elemental Codeworks Announces Partnership with Woodbury Homes

A Quality Home Developer Located in Saint John, New Brunswick

Jacob Sanford - President, Elemental Codeworks Inc.

Elemental Codeworks Inc., a leading web development firm is proud to announce their partnership with Woodbury Homes, a high-end home builder located in Saint John, New Brunswick. This partnership will permit Elemental Codeworks to develop and promote a new web presence for Woodbury Homes (<http://www.woodburyhomes.ca>).

This new web presence will focus on presenting the established reputation of Woodbury Homes as a quality high-end home developer by featuring their previous work and testimonials from clients.

To learn more about Woodbury Homes, please visit their website, <http://www.woodburyhomes.ca>. Alternatively, Craig Wilcox can be reached via E-Mail at craig@woodburyhomes.ca.

Jacob Sanford is the founder and president of Elemental Codeworks Inc. (<http://www.elementalcodeworks.com>), a website development and promotion firm.
